

REMARKS

Claims 1 and 2 remain in the application with claim 2 having been amended hereby.

Notice is respectfully taken of the proposed Examiner's amendment and applicant hereby agrees to the changes proposed by the Examiner.

Submitted herewith is a replacement sheet for Fig. 6 in which the word "signal" is spelled correctly relative to line 9.

Reconsideration is respectfully requested of the rejection of claim 2 under 35 USC 112, first paragraph, as failing to comply with the written description.

The typographical errors appearing in claim 2 as noted by the Examiner have been corrected in the changes made to claim 2 hereby.

Reconsideration is respectfully requested of the objection to the specification.

The typographical errors appearing in equation 4 on page 6 have been corrected hereby.

Accordingly, by reason of the allowance of claim 1 and the indication that claim 2 would be allowable if rewritten to overcome the rejection under 35 USC 112, it is respectfully submitted that claims 1 and 2 in this application are now in condition for allowance.

Favorable reconsideration is earnestly solicited.

Respectfully submitted,
